MASON COUNTY FIRE DISTRICT 6

VOLUNTEERS NEEDED!

Support your local Fire Department!

Mason County Fire District 6 is looking for YOU!

1. Are you at least 18 years old and a community minded individual?
2. Is helping people important to you?
3. Do you like to challenge yourself?
4. Do you enjoy learning new things?
5. Do you want to be part of a team?

If you answer "yes" to any of the above questions, you should consider volunteering with us!!

Please consider the MANY benefits of being a volunteer firefighter:

- Service to your community and helping your neighbors
- Free fire, rescue, and medical training opportunities (including rope rescue)
- Weekly drill with team members
- Volunteer pension program
- Wildland fire fighting opportunities
- Use of workout facility
- Step toward being a career firefighter
- And much more....

COME AND JOIN OUR TEAM !

MEET YOUR LOCAL UNION FIRE DEPARTMENT

Mason County Fire District 6 was founded in 1956 and currently serves a population of 2,000 over 11 square miles. The department is governed by 3 elected commissioners, and your fire service personnel consist of 2 career firefighters, 10 volunteers, and an Office Manager. We average 400 calls a year and strive for excellence on every call! In order for us to maintain our current standard of excellence we need your help!!

A Message from Our Fire Chief

Volunteerism is on a steady decline and some fear the Volunteer Firefighter may be no more in the next ten years. I strongly disagree with this notion. Yes, volunteerism is down, but I see many opportunities in today's society to make a huge difference in peoples lives by volunteering. I talk with many citizens about making a difference in our community by becoming a Volunteer Firefighter. Many citizens are looking for some way to give back to their community. I always recommend joining our fire department. In my opinion there is no better way to give back or serve your community than becoming an emergency responder. Our fire department is dependent on our Volunteer Firefighters and becoming a Volunteer Firefighter has many benefits.

The benefits include:

- Becoming a member in the fire service family that has a storied history of respect and honor.
- The self-gratification that you are making a difference every time you deliver emergency medical care or fight a fire.
- We outfit you with all mandatory equipment and train you on how to use it!
- Learn firefighting skills that very few people in our country ever get to learn.
- The opportunity to become an Emergency Medical Technician.
- The opportunity to join our emergency rope rescue team that provides rope rescue service to all of Mason County.
- The opportunity to take advantage of our generous stipend program that pays you to work volunteer shifts at the fire station.
- Get vital experience and credentials that will allow you to pursue a career in firefighting or emergency medical services and volunteering looks great on any resume!
- Work in an atmosphere that is geared to make sure you are a complete success!

This is a very short explanation of what I believe to be a vast list of benefits to joining the volunteer fire service. I myself started as a Volunteer Firefighter in 1995 and consider it to be one of the best decisions of my life. Being a Volunteer Firefighter taught me many valuable skills, showed me I could make a difference every day in someone's life, introduced me to many lifelong friends that I consider family and opened the door for me to pursue a career in the fire service. If you find yourself getting exciting by the thought of a new adventure/challenge. I urge you to call or email me and take the first step in a life changing new path of becoming a Volunteer Firefighter!

Respectfully,

Clint Volk
Fire Chief
